

Bulletin No. PC-1-1007
October 29, 2007

TO: All MAHLE Clevite Inc. Customers

SUBJECT: New Perfect Circle® Piston Ring New Number Announcement

MAHLE Clevite Inc. is proud to announce brand new additions to the Perfect Circle® piston ring line covering both light and heavy-duty applications. 139 new numbers are now available and they are all listed in this new number announcement. This information includes a numeric listing, price sheet, as well as competitor interchange listings.

The supplemental catalog pages included with this new number announcement contain those part numbers not already in the current publications. Please take a moment to review the new information contained within these materials for ordering. We welcome your comments, and we appreciate your support of the Perfect Circle brand.

As always, stay tuned to www.mahleclevite.com – MAHLE Clevite's home on the Web, for all of the latest product news and new coverage bulletins. This great resource features valuable information for the full line of engine parts offered by MAHLE Clevite Inc. Also, at www.askmahleclevite.com, Engine Experts are available to assist you with your technical questions. askmahleclevite.com – THE source for all your technical needs – is available 24/7!

Sincerely,

Ted Hughes
Brand and Communications Manager
